NASIHAH (On Knowledge)

Imam Maalik said:

Do not acquire this knowledge [of religion] from 4 types of people:

- the foolish and the incompetent;
- the self-seeking opportunists who seek to propagate their own innovations;
- the liars who falsify people's reports even if they do not do so using the sayings of the Prophet;
- and those who are known for their goodness, righteousness, and regular performance of worship but who are ignorant of the basis of what they practice and speak about.

On one occasion Imam Maalik was asked about 48 issues. To 32 of these, his reply was: "I do not know." Also, Khaalid ibn Khaddaash reported: "I came to Imam Maalik from Iraq to ask his opinion on forty issues, and he only answered five of these." Ibn `Ajaan used to say: "If a learned man failed to understand the wisdom of the saying 'I do not know,' his judgment would be erroneous."

Abu al Dardaa' (ra) said: "[To say] 'I do not know' is half of knowledge."
